# A MESSAGE TO MY FANS

Dear fans,

I've always wanted to be a singer. Music runs in the family, and I've had a deep connection with it since I was young. After school, my dad would coach me as we sang along to music from old cassette tapes. When I turned nine, I entered my first singing competition and won. From that moment, I was hooked and I kept wanting to compete more. So, I did! I kept competing, winning some and losing others along the way.

With family in New York City for *Miss Saigon* 2017

My big break came in 2004 when I won the reality talent show *Search for a Star*. It jump-started my career in the Philippines and opened a door of opportunities, allowing me to record albums, tour and begin my journey in musical theatre.

In 2012, I auditioned for the musical *The Little Mermaid* in Manila and I fell in love with theatre immediately. A year later, in 2013, I auditioned for the lead role in a production of *Miss Saigon*. The audition came and went until, 11 months later, I was offered the role of Gigi Van Tranh in London, marking the start of my West End journey.

My intention was to stay in London for just a year, but God had other plans when I was asked to play Fantine in the West End production of *Les Misérables*. My ultimate dream, though, came true when I went to Broadway with *Miss Saigon*. I also met my husband during this time.

Backstage, getting ready to be Eliza in *Hamilton*

We moved back to London in 2017 where I had the great privilege of portraying Eliza in *Hamilton* on London's West End. I gained many friends and created amazing memories along the way. We started a family in 2021 and I'm grateful we have all been able to tour together since then, travelling the world with the international productions of *Les Misérables* and *Hamilton*.

On the *Hamilton* tour with my husband and little ones

The show you'll experience tonight is a culmination of all those years of work; a tapestry of songs and stories from the past two decades of performance. We're excited to share it all with you and we sincerely hope that you enjoy it.

Love,  
Shin xxx

## Inspire the future

Imagination, empathy, creativity—the arts both embody and inspire these human qualities that help us make a better future for ourselves, our families or even society. Your donation opens up opportunities for young people to experience and be inspired by the arts. It also supports the aspirations of emerging Singapore artists as they create and express their vision for the future.

**Leave a legacy.**  
Donate and dedicate a seat in our  
iconic Concert Hall or Theatre.

### In appreciation of your donation:
