

Karung Guni Auntie Rap

Karung Guni Auntie: KGA, that is me
Karung Guni Auntie with the *dian si ki*!
Translation: Karung Guni Auntie with the television!
You got old clothes, you got old things
Pass to me, come let me see

Sa kor, leh-lio, dian si ki
Translation: Clothes, radio, television!
People don't want, I super happy
They hear my horn, they hurry down
If their things I don't like, they frown

MING: OH, so, these things... you like? (confused)

Karung Guni Auntie: OF COURSE!

Reduce, reuse, recycle
You never hear before ah, *shuai ge*?
Translation: You never hear before ah, handsome guy?
Sorry, joking, auntie anyhow
I know you are small boy, I teach you now

KGA - that's my name
Treasure hunting - that's my game
Every block, I walk one round
I even go, up and down

MING: Aren't you tired, auntie?

Karung Guni Auntie: Tired? What's that?

It's okay, it's alright
Auntie workout every night
Zumba Gold, Kpop X
Very good make auntie sweat!

So now can you remember me?
KGA - Karung Guni Auntie
I press my horn, I collect things
People say thank you, I say *mei guan xi*!
Translation: People say thank you, I say don't worry about it!
