

**Cut out the template below and create a flextangle that you can use to re-create the story of Mae Phosop.**

What you need:

1. Template

2. Colour pencils or crayons

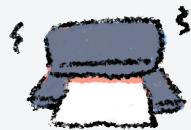

3. Scissors

4. Glue

Instructions:

1. Print the template provided.

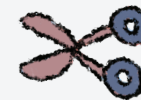

2. Colour into the template.

3. Watch the video to find out how a flextangle is made.

4. Cut along the black lines.

5. Fold along the dotted lines (all vertical and diagonal lines).

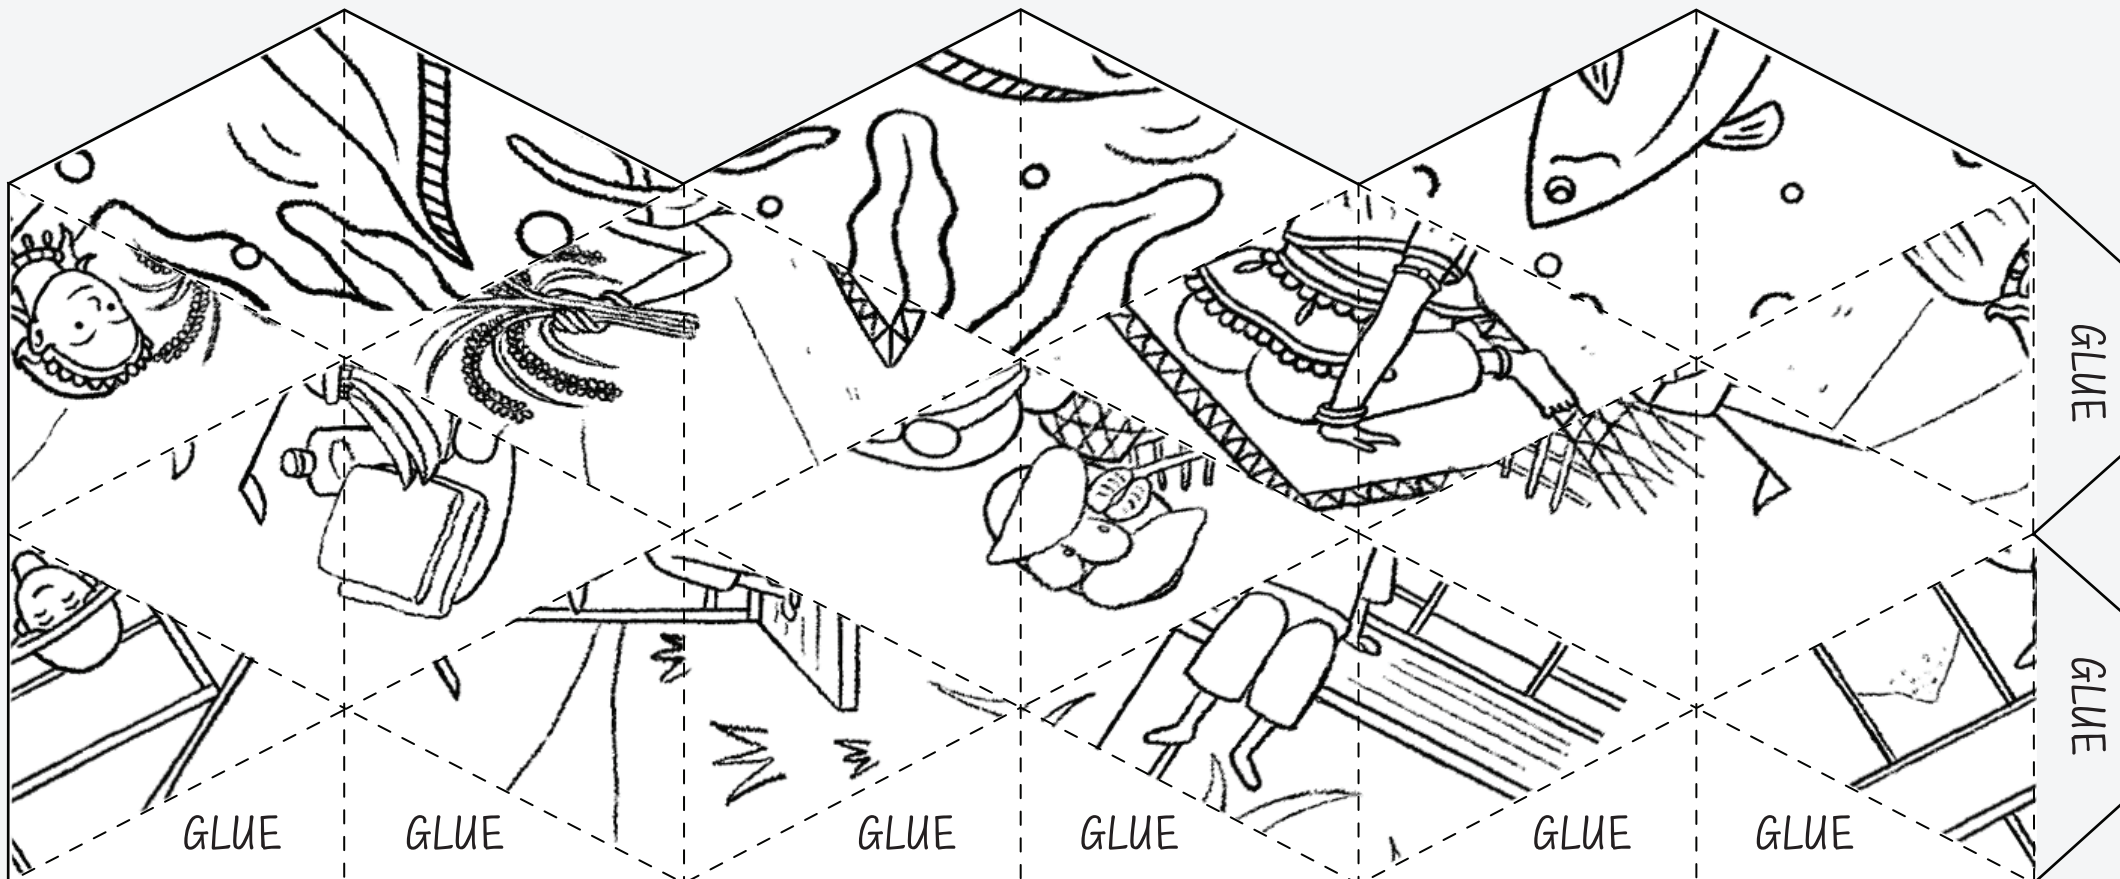

6. Apply glue onto the sections as needed.

This activity was adapted from Hattifant: Flextangle Papertoy.
